Spotlight Coach Travis

Coach Travis indeed has a rich and diverse background! His specialization in trampolining, along with his extensive coaching experience with junior and senior national gymnasts from multiple countries like the USA, Mexico, Australia, Canada, Denmark, and England, is truly impressive.

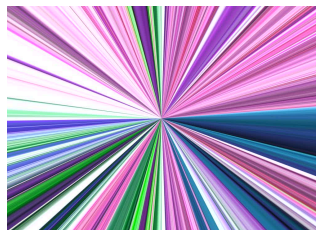

Beyond his coaching, his certification in functional movement therapy (F.M.S) and his experience as a paramedic add an extra layer of expertise, emphasizing his commitment to athletes' overall health and well-being.
